WORK HARD, STAY STRAPPED.

ABOUT US.

BUILT BY BLUE COLLAR. FOR BLUE COLLAR.

OUR STORY

Blue Collar Weaponry was founded on hard work, long days, and a passion for doing things the right way.

What started in a machine shop with a vision to build better, has grown into a full-service firearms manufacturer trusted by shooters, builders, and businesses across the country.

We're not about shortcuts.
We're about showing up, putting in the work, and building products we're proud to put our name on.

**WE BUILD MORE THAN PRODUCTS.
WE BUILD TRUST.**

WORK HARD. STAY STRAPPED.

It's more than a saying—
it's how we live. It's the blue collar mindset
that drives everything we do.
We work for it. We protect it. We build for it.

BCW

PRODUCT CATALOG

PRECISION. STRENGTH. RELIABILITY.

OUR MISSION

To design, manufacture, and deliver high-quality firearms, suppressors, and components with unmatched precision and reliability.
Every product we create is a reflection of our dedication to those who depend on performance.

OUR VALUES

INTEGRITY

We do what's right.
Always.

QUALITY

We build every part like it's
going on our own firearm.

CRAFTSMANSHIP

Precision is in the details.
We take pride in our work.

COMMUNITY

We support the shooting community,
our partners, and the businesses
that fuel it.

WHAT SETS US APART

- ✓ In-house design, machining,
and assembly
- ✓ Advanced equipment and
skilled craftsman
- ✓ Rigorously tested.
Field proven. Customer trusted.
- ✓ Made in Southwest Florida.
Proudly American.

MADE IN
SWFL

OUR COMMITMENT

We're committed to continuous
improvement, investing in our people
and our equipment, and delivering
products you can count on—every time.

BLUE COLLAR WEAPONRY

SERVICES

PRECISION. STRENGTH. RELIABILITY.

At Blue Collar Weaponry, we provide professional in-house services and custom solutions built to meet the needs of shooters, builders, and businesses.

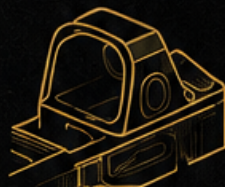

CERAKOTE

Durable, corrosion-resistant ceramic finishes available in a wide range of colors and patterns. Built to look good and last.

BARREL THREADING

Precision barrel threading for muzzle devices, suppressors, and brakes. Multiple thread pitches and custom options available.

OPTIC CUTS

Clean, precise optic cuts for red dot sights. We ensure a perfect fit for optimal performance and reliability.

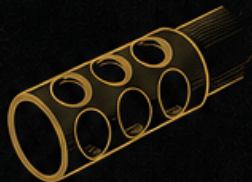

NFA ENGRAVING

Compliant NFA engraving for suppressors and SBRs. Done in-house with precision and attention to detail.

LASER ENGRAVING

High-precision laser engraving for logos, serial numbers, custom text, and artwork. Perfect for both function and branding.

BARREL PORTING

Precision porting reduces recoil and muzzle rise for faster follow-up shots and improved control. Custom port patterns available for your build.

CUSTOM MACHINING SOLUTIONS

From prototypes to production, we deliver custom CNC machining solutions built to your exact specifications. No job too big or too small.

GUNSMITHING

Professional gunsmithing services including disassembly, inspection, repairs, upgrades, and performance tuning. We treat every firearm like our own.

AND MORE

Have a unique request? We're always ready to take on new challenges and deliver solutions tailored to you. Just ask.

BUILT FOR YOU.

Whether you need a single custom part or full production runs, we provide reliable, high-quality work with fast turnaround times and blue collar pride in every detail.
